-----------------------------	----------------------	---

Name and address of owner:

Phone #: _____

Email address _____

Is an owner of the sire/dam a member of the LRC, Inc? _____ YES

or Date Applied for Membership. _____

(One owner must be a member or have applied for membership prior to this dog's nomination.)

REQUIREMENTS

To earn this recognition, sires must have four qualifying offspring and dams must have two qualifying offspring. In this context, "qualifying" shall mean that each offspring has accomplished all of the following at AKC licensed events according to the rules thereof:

Each offspring must demonstrate that they meet the breed standard as evidenced by a Championship title, conformation points, or a Conformation Certificate *and*

Each must have proven ability in the field by holding a Working Certificate, a hunt test title, or field trial title or points.

Each offspring must also have earned at least one regular title at an Obedience or Rally trial, or an Agility Trial, or a Tracking Test (Companion venues), totaling a **minimum of 15 points**.

Point Schedule – next page

Any title, degree, or LRC certificate that is not explicitly listed in the VPM point schedule will not count towards these requirements unless or until the VPM Committee approves said title, degree, or certificate. Points are deliberately weighted higher for the advanced titles to encourage people to continue training their dogs after obtaining a basic title, and to recognize the dogs that are able to attain the higher degrees. Points for AKC titles will continue to accrue over the lifetime of the sire/dam, but will not accumulate if the owners are not current members or applicants of the LRC in the year the title is earned. After initial nomination, POINTS WILL NOT BE AWARDED RETROACTIVELY to cover non-membership years.

TITLES/CERTIFICATES EARNED:

TITLES

Titles that qualify them for this award must be earned in AKC regular titling events in the Companion and Performance Departments of the AKC. The titles must be earned at the "traditional" tiers of AKC events, regardless of which venues are pursued. Eligible titles are listed in the Points schedule. Each year, the LRC will publish the names of the top (high-point) 25 sires and top (high point) 25 dams in the LRC Yearbook and on the LRC website.
