The parent club has placed a number of educational materials on the website to be used to educate the public about dilute-colored "Labradors." Included are a trifold brochure, a large poster showing dilute breeder locations in the United States, a Facebook cover photo and a Facebook profile picture. For all local club specialties in 2019, the LRC will donate an additional \$50 to your specialty trophy fund, for a total trophy donation of \$100. The only prerequisite to receiving the donation is to place any of the logos on your club Facebook page or website and to tell us what you plan to do to educate the public about the "silver issue." See <https://thelabradorclub.com/members/> (LRC membership required to access).

IS YOUR CLUB INTERESTED IN THE SPECIAL \$100 DONATION?

YES

NO

What activities do you plan throughout 2019 to educate your members and the public about "silvers?"
