2024 LRC AGILITY TOP 20 INVITATIONAL

This Invitational is a special event offered at the Labrador Retriever Club National Specialty to showcase Labradors that excel in AKC Agility. The top-ranked Labradors from the previous calendar year are invited to compete against each other at the National Specialty.

The invitees are determined by the AKC TopDogs ranking system for the Top 20 Labradors in both Agility MACH and Agility PACH competition. Each dog must be entered in both the Standard class and Jumpers with Weaves class for both Agility trials in order to compete in the Invitational. Their Invitational placement will be based on the combined scores of those classes. The invitee with the top combined scores in Master and Master Preferred will be acknowledged as the 2024 LRC Top 20 Invitational Champion for that class.

JUNIOR HANDLERS

No charge for entry fees. To receive a full refund for entries, Jr. Handler number must be listed on entry.

Exhibitors should follow their veterinarian's recommendations to ensure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

ENTERING FOR EXHIBITION ONLY (FEO) - EFFECTIVE 7/1/24

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

FIX AND GO ON

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.
