Welcome Letter

The Labrador Retriever Club, Inc. (LRC, Inc.) welcomes you to the 2024 National Specialty AKC licensed Hunting Test for Labrador Retrievers only. Thank you to all judges, gunners, workers, and Club members for dedicating your time and effort to make this a successful hunt test.

The LRC, Inc. is very grateful to Dr. James Dean for the use of his property, Peakebrook Farm. We ask all participants and guests, to please ensure that the grounds are maintained appropriately; drive and park safely in the designated parking areas, air your dog(s) in the designated areas, pick up after your dogs, and take your dog's waste with you. All participants and guests are expected to follow AKC rules and guidelines relative to their conduct at this event. The committee requests that there be no smoking beyond the parking areas. Please be considerate of the grounds.

This is an active farm, please give the right of way to farm equipment. PLEASE DO NOT SPEED ON THE TEST GROUNDS - 5mph - DRIVE SLOW! DO NOT PARK or DRIVE ON ANY FIELDS - You will be asked to leave immediately if you do. If you are unsure where to park, ask the marshal.

LRC, Inc is a member of the Master National Retriever Club.

Please cooperate with the marshals, if you have a conflict or arrive late, please speak to the marshal at all involved stakes.

The LRC, Inc. and the AKC will not tolerate any abuse of dogs during this test.

Absolutely no alcoholic beverages may be consumed by anyone before or during the hunt test.

Remember that this test could not take place without the many volunteers who gave much time and effort before, during, and after the test. Your patience is appreciated and if you see an opportunity to lend a hand, feel free to help.

Good luck to all of you and thank you for joining us.
